# Organizational Greenhouse Gas Verification Statement

**No. CFGHG 124776 0005 Rev. 01**

**Claim:** The total GHG emissions of Zhongtian Radio Frequency Cable Co., Ltd. at the organizational level in 2024-01-01~2024-12-31 in organizational boundary and reporting boundary are 499211.0385 tCO<sub>2</sub>e.

**Verification Scope:**

|                                                                               |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                  |
